Subject: RACKPACE - INDYMEDIA

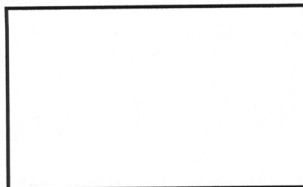

Case ID: A.3/104/04-MVH

Comments:

Dear 

At the request of a foreign law enforcement agency, the FBI assisted in serving RACKPACE with a United States subpoena for INDYMEDIA records. RACKPACE located the INDYMEDIA records on servers in the United Kingdom. A brief interruption of INDYMEDIA's internet service resulted when RACKPACE copied the subpoenaed records from their servers. There is no FBI or United States investigation into INDYMEDIA.

There were two different requests from two different countries that are in no way connected except that both pertain to INDYMEDIA.
